If you don't smoke cigarettes, you pay less for life insurance with Farmers new Non-Smoker Policy.

Studies show you're a better insurance risk than cigarette smokers. Doesn't it make sense that you should pay less for life insurance?

Farmers says "yes". If you haven't smoked a cigarette for two years, we'll save you real money. Or if you only plan to kick the habit, we have a plan that will switch you over to the lower rates in short order.

If you've needed additional protection, now's the time to get it and save. It's almost like buying insurance at a younger man's rate! Get the full story on the Non-Smoker Policy from your Farmers agent. He's in the Yellow Pages under "Farmers Insurance Group".

The Light Company wants to offer you our sincere congratulations.

And maybe a job.

You deserve all the congratulations you're getting these days. You earned them. And whether you go on to college or the service or into business, you'll probably earn more.

And your hometown's part of it.

So when you think about your future, think about us. Houston Lighting & Power Company, P.O. Box 1700, Houston, Texas 77001. An equal opportunity employer.
